## Incisive inCLOUD on Apple Macbook or iPad

Install the 'Microsoft Remote Desktop' app from the App Store

- 1. Open the Microsoft Remote Desktop application from LaunchPad
- 2. Select the Add Workspace option and enter the URL: https://secure.incloud.clinic

https://secure.i	ncloud.clinic
A workspace is as	sociated with this URL.
Workspace URL	:
https://secure.i /RDWeb/Feed/webfe	incloud.clinic ed.aspx
Links to remote ap updated if you add	pps, PCs and files will be downloaded and automatically d the workspace.

Sp Sp	ecialist Practice	Manager		
Connecting to "Specialist Prac	tice Manager"		Cancel	

6. You may be prompted for local drives and printers.

If you are going to be uploading photos from your Mac to a patient's file you will need to check the **Drive** option on and choose the directory on your Mac that will be linked to the SPM application.

Re	emoteApp Conr	lection to INCISIVE.INCLOUD.CLINIC
	Make sure the you connect.	nat you trust the remote computer before
	This remote co computer.	onnection could harm your local or remote
	User account	incloud\demo
	PC name	INCISIVE.INCLOUD.CLINIC
	Gateway	Incisive.incloud.clinic
Let the remote	e computer acce	ss the following resources:
Drive:	✓ Browse	
Clipboard		V Printers
Do not ask	again for conne	ctions to this computer
		Cancel

When complete, check ON the 'Do not ask again...' option

7. You will then be logged onto the secure.inCLOUD.clinic server.

Logging onto the server can take up to a minute, especially if it is the first time that you have done so.

- 8. Use the Authpoint app to Approve the connection or enter the One-Time- Passcode from the app or hardware fob.
- 9. When the Incisive application appears, enter your login details, password and location.
